#### **Some more important information:**

- The event is three days long, so you can enter all three days with the discounted weekend ticket
- If you registered your Mini, you can enter and park your Mini in the event area of Mini60 which is inside the circuit, but you have to arrive early in the morning until 8.00 at the gates, and you will be able to leave the area with your Mini after the last program about 18.30. We would like to have as many Minis as possible next to the exhibition tent to have a joyful Mini celebration and holiday.
- It is also possible that you arrive on Friday and you can leave your Mini at the Mini60 area until Sunday, but this case you have to organize yourself a transportation option to go back to your hotel.
- Of course, everyone and every classic Mini is warmly welcomed on all three days, but the main celebration will be held on Saturday, so if you are willing to come for just one day, than please pick Saturday the 13th of July to come! But please don't forget it, that you have to be at the gates of Hungaroring at 8.00 in the morning and stay until the evening, because at 18.30 we will have the chance to drive on the strip of Hungaroring on the Mini60 promenade exclusively with our Minis!
- If you have, please bring your „period” clothes with you, and dress up the way you would have dressed when your Mini is manufactured. If you don't have a full set of dress a hat a coat or a good old sunglasses would fit as well, because even the visitors are asked to dress up in „period” dresses, so it will be a huge carnaval!
