## **Rocker Cover Race**

This is a relaxed, fun competition, nobody shall take it too seriously. All decisions of the organizers and final and undisputed. Teams can wear race helmets, goggles, racing gloves and suits at their own judgement.

### **Rules**

Rocker cover race cars (race cars) must meet the following criteria:

- shall be made of an A-series engine rocker cover
- shall have 4 wheels
- must not have any engine or other means of accelerator, only gravitation may help
- allowed weight and dimensions
  - max length: 14 inch
  - max width: 8 inch
  - max height: 8 inch
  - max diameter of wheels: 5 inch
  - max weight: 8 pounds
- no restriction on decoration
- all race cars are subject of a pre-race check

### **The race**

- Race cars compete one-on-one on a downward slope. The race car crossing the finish line first wins and advances to the next round. If no race car makes the finish line that shall win, which is closer to the finish line.
- Race cars falling out the track and over the reiling will be disqualified.
- One can challenge the ruling, but in this case the jury will remind to the first paragraph
